Ankara, TURKEY, 6th and 7th of March 2017

6th of March 2017

The kick-off meeting takes place at Golbasi Mesleki Ve Teknik Anadolu Lisesi in Ankara on the 6th March. The partners come from Italy, Portugal, Romania, Spain and Turkey.

The headmaster and teachers of the Turkish school give the participants a warm welcome and all together visit the school: headmaster's office, teacher's room, secretary's office and the laboratories.

Golbasi Mesleki Ve Teknik Anadolu Lisesi has a long tradition and it is always open to suggestions and innovation.

Finally the working group goes to lecture hall for the presentation of the project.

Participants present their school and their region then illustrate different projects developed in the past as well as the projects in progress.

After lunch all partners go to visit Mogan lake where they appreciate Turkish cuisine and approach Golbasi region.

At 3.00 p.m. the workshop reopens.

The guide lines of the Project PBP VET are illustrated in details: the goal, the methods of achievements, the existing criticalities, the necessity of cooperation in a formative and educational field.

All the partners agree on the necessity of duties and responsibilities. The budget of the project is also analyzed.

Finally, questions are asked in order to clarify some points and carry out the different tasks in the best possible way.
